

Mohamed Lahrouchi, CV and publications

Current position: Research fellow at the CNRS, France

Affiliation: Institute for Humanities and Social Sciences, Department of Linguistics
Formal Structures of Language
UMR 7023 – CNRS & University Paris 8
2, rue de la Liberté
93526 Saint Denis cedex 02
FRANCE

Phone number : +33-1-49407337
+33-6-16496221

Fax: +33-1-49407334

Email: mlahrouchi@univ-paris8.fr

Homepages: <https://cnrs-gif.academia.edu/MohamedLahrouchi>

<http://mlahrouchi.free.fr/>

Research interests

Phonology, morphology, interface with syntax, language acquisition, templatic morphology, autosegmental phonology, government phonology, Afroasiatic languages (Berber, Semitic, Chadic), complex consonant clusters, syllable structure, root structure.

Education and Diplomas

2015 Habilitation thesis (HDR) in Linguistics, University Paris 8.

2001 Ph.D dissertation in Formal and Theoretical Linguistics, University Paris 7.
Advisor: Jean Lowenstamm

1995 D.E.A., Prep. Degree for Ph.D., University Lyon 2.

1994 Masters (MA equivalent), University Ibnou Zohr, Agadir, Morocco.

Teaching and research experience

2018 Faculté de Linguistique Appliquée, Haïti, teaching: *phonologie*

2017 UFR de Linguistique, Université Paris 7, teaching: *analyse phonologique*

- 2016 UFR SDL, Université Paris 8, teaching: *aspects formels du langage*
 UFR de Linguistique, Université Paris 7, teaching: *analyse phonologique*
- 2015 SOAS, University of London, Department of Linguistics
 MA and BA linguistics: *Intermediate phonology, Current issues in phonology*
- 2015 Visiting scholar: Georgetown University (June - August)
 New York University (September, October)
- 2010 Graduate-level teaching, Department of Linguistics, University Paris 8
Non-derivational phonologies.
- 2003 Postdoctoral position at the CNRS.
 Undergraduate-level teaching, Department of Linguistics, University Paris 7.
General linguistics.
- 2002 Undergraduate-level teaching, Department of Linguistics, University of Tours
Morphosyntax.
- 2001-13 Graduate and undergraduate-level teaching, Department of Linguistics,
 University Paris 8: *phonology.*

Membership and editorial activities

Member of editorial board: *Recherches Linguistiques de Vincennes*, published by *Presses Universitaires de Vincennes*.

Member of scientific board: *International Journal of Arabic Linguistics*

Member, Scientific Committee: *French Phonology Network*.

Co-editor, *The form of structure the structure of forms*, John Benjamins.

Co-editor, *Recherches Linguistiques de Vincennes*, number 39, Fall 2010.

Linguistics expert for the French National Research Agency (ANR).

Reviewer for international linguistics journals : *Language, Linguistic Inquiry, Lingua Studies in African Linguistics, SKY Journal of Linguistics, Recherches Linguistiques de Vincennes, Glossa: a journal of general linguistics, Morphology, Canadian Journal of Linguistics, Brill's Journal of Afroasiatic Languages and Linguistics.*

Reviewer for International Conferences: *Old World Phonology Meetings, Generative Linguistics in the Old World, French Phonology Network Meetings. RALFe.*

Other professional activities

Co-director of *Formal Structures of Language* (CNRS & University Paris 8 research unit).

Co-director of the *LaGraM* team, *Formal Structures of Language* laboratory.

Board member, *Formal Structures of Language* laboratory, UMR 7023, France.

Awards and Fellowships

3-year-grant from the National Agency for Research (ANR) in France. Subject research : Phonological patterns in the acquisition of Tashlhiyt Berber.

2-year-grant from the Campus France Foundation, including suPh.D supervision.

Languages

Tashlhiyt Berber (native speaker), Moroccan Arabic (bilingual), Standard Arabic (fluent), French (fluent), English (fluent).
